Unless otherwise specifically stated, all references herein to "sections" and "exhibits" will mean "sections" and "exhibits" to this Agreement.

6.4 Governing Law; Dispute Resolution. Any controversy or dispute which arises out of or is related to this Agreement, including its existence, interpretation, application, performance, breach and termination thereof, must be decided by arbitration in accordance with the Swiss Rules of International Arbitration of the Swiss Chambers' Arbitration Institution in force on the date when the Notice of Arbitration is submitted in accordance with those Rules. The seat of the arbitration shall be Zug, Switzerland. The language of the arbitration shall be English. When deciding upon evidentiary issues, including document production, the arbitral tribunal shall take guidance from the IBA Rules on the Taking of Evidence in International Arbitration in force at the time that any evidentiary issue arises. This Agreement and the acquisition and loss of the Rights to Tokens will be governed by and construed and enforced in accordance

with the laws of Switzerland, without regard to conflict of law rules or principles (whether of Switzerland or any other jurisdiction) that would cause the application of the laws of any other jurisdiction, irrespective of whether the Rights to Tokens qualify as right or property under the applicable laws. Any dispute between the Parties arising out of or relating to this Agreement or its subject matter or formation (including non-contractual disputes or claims) that cannot be subject to arbitration due to applicable law will be resolved in the courts of Switzerland.

6.5 Assignments; Successors and Assigns. Association or Recipient may assign any of its rights and obligations under this Agreement; provided that any assignee of Recipient's rights shall be required to execute a token delivery agreement substantially similar to this Agreement. Any assignment of rights and obligations by Recipient or any other party to this Agreement requires Association's prior written consent. 6.6 Entire Agreement. This Agreement constitutes the entire agreement and understanding of the parties with respect to the subject matter of this Agreement, and supersede all prior understandings and agreements, whether oral or written, between or among the parties hereto with respect to the specific subject matter hereof. 6.7 Amendment and Waivers. This Agreement may be amended only by a written agreement executed by each of the parties hereto. No amendment of or waiver of, or modification of any obligation under this Agreement will be enforceable unless set forth in a writing signed by the party against which enforcement is sought. Any amendment effected in accordance with this Section 6.7 will be binding upon all parties hereto and each of their respective successors and assigns. No delay or failure to require performance of any provision of this Agreement shall constitute a waiver of that provision as to that or any other instance. No waiver granted under this Agreement as to any one provision herein shall constitute a subsequent waiver of such provision or of any other provision herein, nor shall it constitute the waiver of any performance other than the actual performance specifically waived.

6.8 Severability. If any provision of this Agreement is determined by any court or arbitrator of competent jurisdiction to be invalid, illegal or unenforceable in any respect, such provision will be enforced to the maximum extent possible given the intent of the parties hereto. If such clause or provision cannot be so enforced, such provision shall be stricken from this Agreement and the remainder of this Agreement shall be enforced as if such invalid, illegal or unenforceable clause or provision had (to the extent not enforceable) never been contained in this Agreement. Notwithstanding the foregoing, if the value of this Agreement based upon the substantial benefit of the bargain for any party is materially impaired, which determination as made by the presiding court or arbitrator of competent jurisdiction shall be binding, then both parties agree to substitute such provision(s) through good faith negotiations.

6.9 Counterparts; Facsimile Signatures. This Agreement may be executed in any number of counterparts, each of which when so executed and delivered will be deemed an original, and all of which together shall constitute one and the same agreement.
